## I Fall Sports

### A. Football

1. The season was adjusted because of the disruption of the “wild fire” in the surrounding areas.
2. The all league meeting was held the first week of November. Everything was OK.
3. Vacaville, Wood and Vintage all made the Section playoffs. As of today’s date Vacaville is the remaining MEL school still competing.

### B. Cross Country

1. The season was adjusted because of the disruption of the “wild fire” in the surrounding areas.
2. The state meet will be November 25<sup>th</sup> in Clovis. MEL will have representatives from Armijo, Vacaville and Vintage competing at the meet.

### C. Girls Tennis--NR

### D. Water Polo—NR

## F. Girls Golf

1. The season was adjusted because of the disruption of the “wild fire” in the surrounding areas.
2. Vacaville, Napa and Wood all advanced to the Section tournament.

## G. Volleyball

1. The “wild fire” did disrupt the schedule.
2. At the all league meeting the coaches indicated that they would like 12 patches instead of 10 for all league. The rationale is that there are 6 players on a team and 12 would recognize the equivalent of two teams. After a short discussion the item was tabled.

## II. Winter Sports

A. Basketball—The preseason meeting for both boys and girls coaches was held at Armijo High. There was an official in attendance, to review any rule changes and answer any questions.

### B. Soccer

1. The preseason meeting will be tonight, November 14<sup>th</sup>, 6pm at Wood in room M9.

### C. Wrestling

1. At the preseason meeting the coaches spent most of the time talking about the 2018-19 schedule. Next year's schedule will start a week earlier which means that dual competition will need to start in December or that there would need to be 2 a-week competition. The coaches input will be used to determine the 2018-19 league schedule.
