1. A situation came up at the dual meet between Napa and Vacaville regarding correcting a scorecard. Both opponents had agreed on the score and turned in their scorecards and the Vacaville player then was told she had recorded a hole incorrectly. Vacaville corrected the card.

The discussion ensued as to whether the player should have been DQ. Joan forwarded all the information to Dan Wettstein a NCGA rules official (that has worked MEL events) and his recommendation was that the player be given a DQ.

The head USGA rules official for N. California said the league needed to have in writing what constitutes a returned (turned in card) and a statement of when the competition is closed.

2. The first league tournament will be held Tuesday September 26th at the Vintner's Golf Course in Yountville. There will be a shotgun start for 9:00 am and the cost is \$20/ player due at the course. Please make checks payable to Vintner's Golf Course.
