## IV Schedules 2018-19

### A. Fall

The fall schedules that were introduced at the December AD meeting were reviewed. The following schedules were approved with no changes: Cross Country, Football, Volleyball and Water Polo. These sports schedules need revisions: Girls Golf and Girls Tennis. All of these schedules will be voting items for the January 24<sup>th</sup> BOM meeting.

## B. Winter

Boys and Girls soccer and the dual meet wrestling schedule were approved with no changes. There was a lengthy discussion regarding boys and girls basketball that included such topics as Friday night home games, separating competition into T/Th and W/F as they match with soccer. The proposed schedule with T/F competition for both boys and girls will be presented to the BOM for review. Eddie will bring an alternate schedule for discussion that will have basketball games mirror the soccer schedule, thus separating games into T/Th and W/F. All winter schedules will be voted on at the January 24 BOM meeting.

## C. Spring-First Review

The “spring” break will have the 3 Fairfield schools off March 25-29 while the Vacaville schools and Vanden will be off April 19-26. The recommendation from the MEL commissioner is try to accommodate both breaks otherwise create the schedule with no “spring” break.

1. Badminton—The schedule recognized both spring breaks. The new addition is to hold the MEL tournament on 2 days with singles on May 2 and doubles on May 3. Both days competition would start at 4:00.

2. Boys Golf— The schedule recognizes “spring” break March 25-29. The last date of league competition would be April 18<sup>th</sup>, which means no league completion during the “spring” break of April 19-26.

3. Softball—The schedule that the ADs accepted has two off days (Thursday 3/28 and Thursday 4/25) one during each of the two “spring” break calendars. Both of the off days could be used for such activities as make-up games, tournaments, or practice.

4. Swim and Dive—with 5 schools competing in the MEL, each school will get an off completion Wednesday and the week of March 25 would have no competition. MEL trial and finals would be April 11-13. There would be no league competition during the April 19-26 time period, however Section diving trials and finals will be April 26 & 27.

5. Track—Carly is looking at scheduling tri-meets during the two “spring “ break weeks. So the schools that are not on break will compete in a double dual competition. The schedule will then have two tri-meets (during “spring” break weeks), three quad meets, and four dual meets before the league championships April 30 and May 2.

6. There were no schedules presented for baseball and boys tennis. Kevin will work on preliminary schedules and get them out to the ADs and commissioner before the next meeting on February 15.
